Purpose of Thomas E. Wolf, D.D.S., Educational Loan Fund:

The purpose of the fund is to provide loans or scholarships to qualified students involved in Teen Haven (the youth ministry program of Water Street Ministries [Mission]) for education in a college or university. Loans or scholarships are to be granted on the basis of need with consideration given to leadership potential and outstanding expression of the values and goals of Teen Haven (the youth ministry division of Water Street Ministries [Mission]).

Purpose of Teen Haven Scholarship Fund in Memory of Michael Skinner:

This fund is intended to give support to college students who have been actively involved in the Teen Haven Ministry and have a desire to serve in Christian Ministry. It is the scholarships stance that active involvement in Christian Ministry during the college years is the best way to prepare for a future that will be productive for God's Kingdom. It is also its stance that students who work to earn their way through school develop Godly character. Preference will also be given to students based on career plans that would make them significant workers in Christ's kingdom.
