August 2011 Answers to Your Prayers

Hole in One

By Rachel Scarborough

Water Street Ministries

During the past few months we asked you to pray for the 18th Annual Oliver & Bertha Armstrong Memorial Golf Tournament. On that bright sunny day in June, over 168 golfers came out to participate, along with volunteers and staff. The tournament happens every year to raise money to help the Water Street Mission provide rescue and renewal services through Christian faith and guidance. This year the tournament raised enough money to provide over 5,500 meals to those who are homeless. We want to thank you for your prayers and faithfulness. Because of you lives are being changed!

The Lord blessed our morning golfers with this beautiful sunrise over the course

Healthy Progress

By Rachel Scarborough

One of our divisions, Water Street Health Services, has seen amazing progress recently in two particular patients. When Jerry* first came to Water Street Health Services, he was terribly sick from uncontrolled diabetes. His blood sugar was off the chart, his vision was blurry and he had numbness in his hands and feet. He was holding a job, but with his health failing, he was unsure if he could continue to work. Another man, Kyle*, was severely depressed. When he arrived at the clinic, he couldn't even make eye contact with anyone.

Through your prayers for the organization, the health of both men has improved. Jerry is learning to eat better, take his insulin, and check his own blood sugar. He is hopeful for his future and thankful for what WSHS has done for him. Kyle was introduced to Jesus through a volunteer physician and accepted Christ! Recently on a follow up appointment, he smiled and looked us in the eye as he reported that he was taking his medicine regularly and going to church. God is so good!
