November 2011 Answers to Your Prayers

No More Tears

Thanks for your prayers for our dear, first-time students at Wonder Club Early Learning Centers. Sahara, 4, was very emotional about starting school. On her first day, she cried the whole morning and ended up crying herself to sleep. Her teacher, Miss Nikki, prayed with Sahara and allowed Sahara to be her shadow for the day, and she seemed to do much better. The next morning she came in with no tears, and we have not had an experience like that again! Praise the Lord.

Fun and Sun at Family Day

“I want to stay longer,” said 8-year-old Olivia after her mother told her it was time to leave Family Day. Thanks so much for praying for success for this event. With God’s blessing, the free activities, free tours, free parking, free live music and free food drew 200 of our friends, like Olivia and her mom.

New to Family Day this year was a lecture/discussion called Helping the Hurting, and one of our friends said she came specifically to hear it. Led by Steve Brubaker, our Chief Vision Officer, the session offered a glimpse at how to become a better helper.

Tours were another big hit. “I’ve supported you for years but never had a tour,” said one man on a tour. We were excited to show him first-hand the impact of his generosity. If you missed Family Day, you don’t have to wait until next year for a tour; you can schedule one today. Call Pearl at 358-2040 or email Volunteer@WaterStreetMinistries.org.
